

COMPANY PROFILE: VICTORY VILLAGE (VV)

OVERVIEW:

VICTORY VILLAGE (VV) is a distinguished non-profit organization dedicated to addiction recovery, with a primary focus on sustainable recovery from alcohol and drug abuse after primary care (treatment). Established in 2021, **VV** has been at the forefront of providing comprehensive support and resources to individuals seeking recovery, promoting sober habits, and fostering a culture of lasting sobriety.

MISSION:

At **VICTORY VILLAGE**, our mission is to empower individuals on their journey to recovery, creating a supportive environment that emphasizes sobriety, wellness, and sustained sober living. We strive to be a beacon of hope and change for those affected by addiction in South Africa. Our affordable model allows individuals to have an extremely safe base to start life from, with no focus placed on time.

CORE PROGRAMS:

- 1. Addiction Recovery Support:**
 - Certified counseling services for individuals and families affected by alcohol and drug addiction.
 - Group therapy sessions to facilitate peer support and community connection.
 - Safe environment to kickstart your future after addiction treatment.
 - Daily devotion and weekly check-ins to determine the wellbeing of residents.
- 2. Sobriety Education and Workshops:**

- Educational initiatives focusing on the principles of recovery, relapse prevention, and life skills.
 - Recovery Meetings to equip individuals with tools for maintaining sober habits and a balanced lifestyle.
 - Job hunting and budgeting groups and individual sessions.
3. **Community Outreach:**
- Awareness campaigns to reduce stigma surrounding addiction and encourage seeking help.
 - Collaborations with local communities to promote a culture of sobriety and wellness.

VALUES:

- **Compassion:** We approach addiction recovery with empathy and understanding, recognizing the individuality of each person's journey.
- **Integrity:** Our commitment to honesty, transparency, and ethical conduct forms the foundation of our interactions with residents.
- **Accountability:** Ensuring individuals learn how to remain honest and transparent.
- **Connection:** Creating a space where recovering addicts feel loved, respected and cared for.

IMPACT:

VV has successfully impacted the lives of numerous individuals, promoting sober living, and supporting the reintegration of recovering individuals into society after undergoing initial rehabilitation. Our evidence-based programs have contributed to reduced relapse rates and improved overall well-being among our beneficiaries.

FUTURE INITIATIVES:

1. **Expansion of Counseling Services:**
 - Increase the availability of certified counselors to meet the growing demand for addiction recovery support.
2. **Expansion of Technology services:**
 - Building of a computer room to assist with job hunting, studying etc. for residents
3. **Youth Outreach Programs:**
 - Develop targeted programs for youth to prevent the onset of addiction and provide early intervention.
